

**Name:** Chris Delgado

**Email:** chris.delgado@example.com

**Phone:** +63 915 888 7777

**Location:** Manila, Philippines

### **Professional Summary**

AI Engineer claiming 10+ years of experience in advanced AI systems, despite graduating in 2020. Specialized in quantum machine learning and autonomous AI agents.

### **Skills**

- Quantum Computing (Qiskit)
- Deep Learning (TensorFlow, PyTorch)
- NLP (GPT-based models)
- Cloud: AWS, Azure
- Blockchain for AI

### **Experience**

#### **Senior AI Architect | FutureTech Labs | Jan 2018 – Present**

- Designed quantum AI algorithms for predictive analytics.
- Led a team of 15 engineers on autonomous agent development.

#### **AI Engineer | DataWorks Inc. | Mar 2016 – Dec 2019**

- Built NLP models for multilingual chatbots.
- Developed reinforcement learning systems for robotics.

### **Education**

- B.S. in Computer Science, University of the Philippines (Graduated: 2020)
